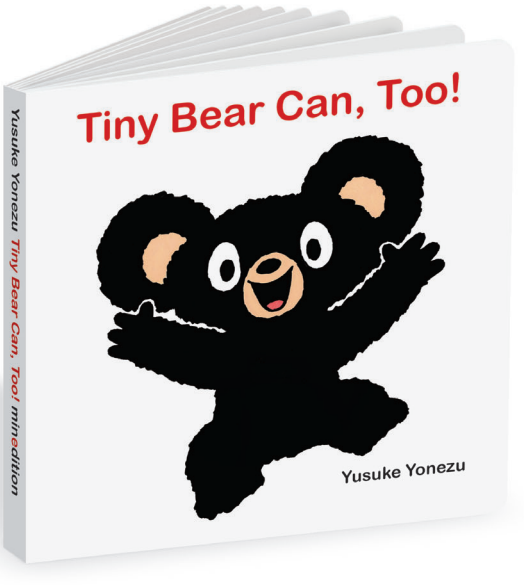
Yusuke Yonezu

TINY BEAR CAN, TOO!

- The new adorable character by Yusuke Yonezu.
- Beloved Tiny Bear returns in this adorable board book that explores all the new things he can do with his body! All it takes is a friend to show him how.



Hello, Tiny Bear!

With fun flaps that reveal simple actions geared to toddler development, like jumping and standing on one leg, this sweet story is perfect for little ones who are widening their physical repertoire. The ever-adorable Tiny Bear (Hello, Tiny Bear!) returns, and now it's time to jump, twist, and play with his friends. From kicking up his feet like Monkey to wriggling on the floor like Snake, Tiny Bear discovers all the ways in which he, too, can move his body. Tiny Bear Can, Too! shows the fun in following physical cues and encourages toddlers to see what they can do, too!

Nikolaus Heidelbach

LUISE

- By the well-known and award-winning artist Nikolaus Heidelbach.
- An artistic picture book, for children and adults!

Did you know that octopuses love raspberry pies?
Louis meets one day the octopus girl Luise during a holiday by the sea with his mother. They both like each other very much. Luise goes home with Louis and they do the most normal things in the world: they bathe in the pond, visit a castle and eat, of course, raspberry pies. Until one day Luise's octopus mum shows up. After all, Luise has still a lot to learn – but it's only possible in the ocean. Will Luise and Louis meet again one day?

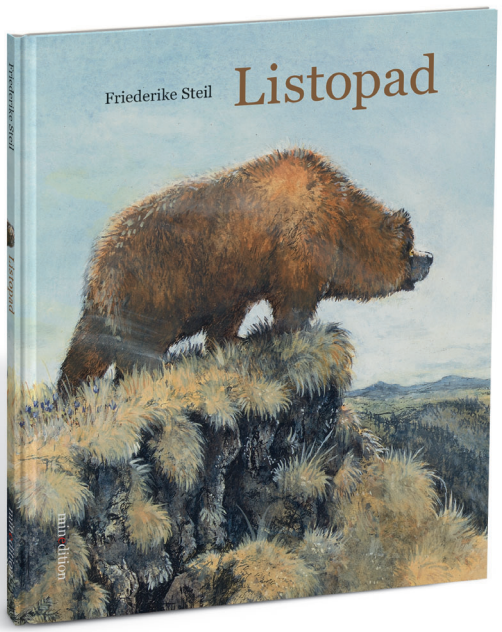
Friederike Steil

LISTOPAD



- Freedom for the bear!
- About love of animals and species-appropriate life.

Listopad is the Polish word for "November" and also means "the leaves fall". The meaning of the name corresponds as well to the November's feeling the bear has in the zoo.
One day, the zoo keeper takes the bear on a journey into the wilderness to awake a new spirit of life.
This story of the bear and the zoo keeper talks about freedom and about the hurdles into a carefree life.

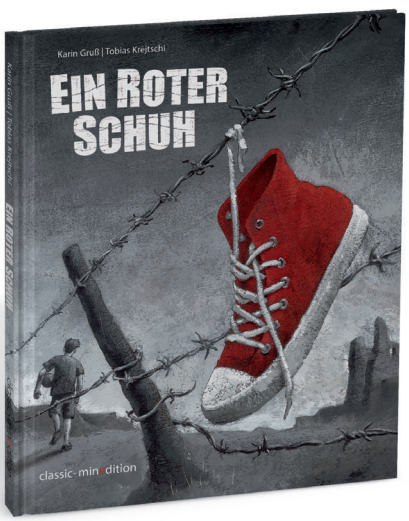
Karin Gruß / Tobias Krejtschi

A RED SHOE



- Being a child in the war.
- Awarded by Stiftung Buchkunst and Biennale Bratislava.

Kenan loves basketball and has new red shoes that he is particularly proud of, just like thousands of boys around the world. But Kenan lives in a country where there is war. When his school bus is hit by a grenade, Kenan comes to the hospital, seriously injured.
A German reporter is on-site and we learn from his perspective about the daily life of many people living in the war.
